Secret Valley is situated just a 8 min drive from the famous Petra Tou Romaniou (Aphrodites Rock). It's a 15 minute minute drive into the tourist area of Paphos Town. The Secret Valley golf course is arguably the best Golf Course in Cyprus and with another golf course in the Aphrodite Hills' resort virtually next door (7 min drive), Secret Valley is a great location for a holiday.

The nearest village is Kouklia which stands where "Palaipafos" (Old Pafos) stood, the seat of the kingdom of Pafos, one of the most important ancient kingdoms of Cyprus.

The entire area of the community, including the place where, today, houses stand is an important archaeological region. Excavations have been conducted at various times, bringing to surface the famous temple of "Aphrodite of Pafos" (Pafia Aphrodite), the remains of the fortification of Palaipafos, and various other movable findings that are found in the archaeological Museum situated in the village, housed in the medieval villa south of the village.

Today, Kouklia is a thriving community with shops, cafés and tavernas. There are many traditional tavernas which offer the secrets of Cypriot cuisine and also modern international dishes. On Thursday evenings you can enjoy 'Cyprus Nights' in the village square where traditional Greek dancing and singing is performed.

Other areas of interest and activity include the Snake Park in Kouklia village and, for the energetic, tennis and horse riding in Aphrodite Hills Resort.
